2. To approve an amendment to the Articles of Incorporation of the Company to increase the number of authorized Common Shares from sixty million (60,000,000) shares, par value \$0.00001 per share to three hundred million (300,000,000) shares, par value \$0.00001 per share;

All shareholders are cordially invited to attend the annual meeting. If your shares are registered in your name, please bring the admission ticket attached to your proxy card. If your shares are registered in the name of a broker, trust, bank or other nominee, you will need to bring a proxy or a letter from that broker, trust, bank or other nominee or your most recent brokerage account statement, that confirms that you are the beneficial owner of those shares. If you do not have either an admission ticket or proof that you own shares of the Company, you will not be admitted to the meeting.

Your vote is important regardless of the number of shares you own. The Company requests that you vote by internet or telephone, or complete, sign and date a proxy card, which you may obtain upon request, without delay, even if you now plan to attend the annual meeting. You may revoke your proxy at any time prior to its exercise by delivering written notice or another duly executed proxy bearing a later date to the Secretary of the Company, or by attending the annual meeting and voting in person.

PROXY STATEMENT

INTRODUCTION

This proxy statement and the accompanying proxy are made available by Pluri Inc., or we, our, us or the Company, to the holders of record of the Company's outstanding common shares, \$0.00001 par value per share, or the Common Shares, commencing on or about March 6, 2023. The accompanying proxy is being solicited by the Board of Directors of the Company, or the Board, for use at the annual meeting of shareholders of the Company, or the Meeting, to be held on the 27th day of April, 2023 at 5:00 p.m. local time, at our offices, MATAM Advanced Technology Park Building No. 5, Haifa, Israel, 3508409 and at any adjournment or postponement thereof. However, we are actively monitoring developments with regard to the coronavirus or COVID-19, and it is possible that the Meeting may be held solely by means of remote communication. In the event it is not possible or advisable to hold our Meeting in person, we will announce alternative arrangements for the meeting as promptly as practicable. The cost of solicitation of proxies will be borne by the Company. Directors, officers and employees of the Company may assist in the solicitation of proxies by mail, telephone, telefax, in person or otherwise, without additional compensation. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of share held in their names and the Company will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of such proxy materials.

The Board has fixed February 27, 2023 as the record date for the Meeting. Only shareholders of record on February 27, 2023, or the Record Date, are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. On February 27, 2023, there were 40,848,409 issued and outstanding Common Shares. Each Common Share is entitled to one vote per share.

The Company's Bylaws provide that a quorum shall consist of the holders of at least thirty-three and one third percent (33 1/3%) of the shares issued and outstanding and entitled to vote thereat, present in person, or represented by proxy at the Meeting. If such quorum shall not be present or represented, the shareholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the Meeting, without notice other than announcement at the Meeting, until a quorum shall be present or represented. Abstentions may be specified on all proposals. Abstentions will be counted as present for purposes of determining a quorum and will be counted as not voting on the proposal in question. Submitted proxies which are left blank will also be counted as present for purposes of determining a quorum, but are not counted for purposes of determining whether a proposal has been approved in matters where the proxy does not confer the authority to vote on such proposal, and thus have no effect on its outcome.

The affirmative vote of the holders of a majority of the outstanding Common Shares having voting power shall be required for the approval of the amendment to the Articles of Incorporation of the Company, or the Articles, to increase the number of authorized Common Shares from sixty million (60,000,000) shares, par value \$0.00001 per share, to three hundred million (300,000,000) shares, par value \$0.00001 per share, or the Authorized Share Increase.

The affirmative vote of the holders of a majority of the Common Shares having voting power present in person or represented by proxy shall be sufficient for the election of each of the director nominees and for the ratification of the selection of Kesselman & Kesselman, Certified Public Accountants (Isr.), a member firm of PricewaterhouseCoopers International Limited, as independent registered public accounting firm of the Company for the fiscal year ending June 30, 2023 and for the consideration to approve by a nonbinding advisory vote, the compensation of the Company's named executive officers.

All Common Shares represented in person or by valid proxies received by the Company prior to the date of, or at, the Meeting, and not revoked, will be voted as specified in the proxies or voting instructions.

Investors that participated in a private placement transaction in December 2022 and purchased an aggregate of 8,155,900 Common Shares, or approximately 20% of the outstanding Common Shares as of the Record Date, have executed proxies permitting the Company's Chief Executive Officer and Chief Financial Officer to vote the securities purchased in the offerings in favor of any shareholder vote relating to a future increase of the Company's authorized shares, such as the Authorized Share Increase proposal.

Broker non-votes occur when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed "non-routine." Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares.

If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes. Except for Proposal No. 2 and 3, each of the remaining Proposals is a non-routine proposal; therefore, your broker, bank or other agent is not entitled to vote your shares on Proposal No. 1 and 4 without your instructions. Broker non-votes will be counted as present for purposes of determining a quorum and will be counted as not voting on the non-routine proposals in question. Other than for the purpose of establishing a quorum, broker non-votes will not be counted as having voting power and will therefore not affect the outcome of Proposal No. 1 and 4 (as noted above, because Proposals No. 2 and 3 are considered routine, there will not be broker non-votes with respect to that proposal).

Any shareholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Secretary, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the shareholder appointing a proxy does not, however, revoke the appointment.

Notice of Internet Availability of Proxy Materials

In accordance with rules and regulations of the Securities and Exchange Commission, or the SEC, instead of mailing a printed copy of our proxy materials, which consist of this proxy statement, proxy card, notice of annual meeting, and our annual report to shareholders for the fiscal year ended June 30, 2022, or Fiscal Year 2022, respectively, to each shareholder of record, we may furnish proxy materials via the internet. Accordingly, all of our shareholders of record as of the Record Date will receive a notice of internet availability of proxy materials. The notice of internet availability of proxy materials will be mailed on or about March 6, 2023.

On the date of mailing the Notice of Internet Availability of Proxy Materials, shareholders will be able to access all of the proxy materials at <http://www.astproxyportal.com/ast/22961/>. The proxy materials will be available free of charge. The Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials over the internet. The Notice of Internet Availability of Proxy Materials contains instructions as to how to vote by internet or by telephone. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may request a paper or email copy of the proxy card. If you received a Notice of Internet Availability of Proxy Materials and would like to receive printed copies of the proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

At the Meeting, five directors are to be elected, which number shall constitute our entire Board, to hold office until the next annual meeting of shareholders and until their successors shall have been duly elected and qualified. All of the nominees whose names and biographies appear below are presently our directors. In the event any of the nominees should become unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board. The Board has no reason to believe that the nominees named will be unable to serve if elected. Each nominee has consented to being named in this proxy statement and to serve if elected. Ms. Varda Shalev, the Board and the nominating committee, mutually agreed that Ms. Shalev would not be re-nominated as a director nominee, and such decision was not due to any disagreement on any matter relating to the Company's operations, policies or practices.

PROPOSAL NO. 2 — AMENDMENT TO ARTICLES OF INCORPORATION OF THE COMPANY TO INCREASE THE NUMBER OF AUTHORIZED COMMON SHARES FROM SIXTY MILLION (60,000,000) SHARES, PAR VALUE \$0.00001 PER SHARE, TO THREE HUNDRED MILLION (300,000,000) SHARES, PAR VALUE \$0.00001 PER SHARE

Our Board has unanimously approved an amendment to our Articles to increase the number of authorized Common Shares from sixty million (60,000,000) shares to three hundred million (300,000,000) shares, as further described below. If approved, the Authorized Share Increase would be effected by amending Article 4 of our Articles. The full text of the proposed amendment to Article 4 of our Articles is attached to this Proxy Statement as Appendix A.

On February 27, 2023, there were issued and outstanding Common Shares, and we have reserved Common Shares under our existing equity incentive plans and outstanding warrants (excluding the warrants we issued in the Offering (as defined below), which are exercisable upon the later of six months from their issuance date or the increase in our authorized shares), and as a result thereof, our flexibility to carry out any future capital raising activities, if any, and grant equity incentives to employees and service providers, if any, may be extremely challenging. In addition, pursuant to Securities Purchase Agreements, or the SPAs, between the Company and certain accredited and non-U.S. investors, or the Investors, relating to a private placement offering, or the Offering, executed in December 2022, the Company agreed to hold a meeting of shareholders within 200 days of the execution of such SPAs for the purpose of increasing the Company's authorized shares.

Our Board believes that the Authorized Share Increase is advisable, and in our shareholders' best interests, in order to give us greater flexibility in considering and planning for future potential business needs. If the amendment to our Articles is adopted, we will have authorized Common Shares available in the event our Board determines that it is necessary and appropriate to raise additional capital through the sale of equity securities, to acquire another company or its assets, to provide equity incentives to employees, officers or directors, to establish strategic relationships with corporate partners and/or similar transactions or for other corporate purposes. If the Authorized Share Increase is approved, the additional authorized Common Shares would be available for issuance at the discretion of the Board and without further shareholder approval, except as may be required by law or the rules of the Company's then-current listing market or exchange.

Possible Effects of the Authorized Share Increase

The newly authorized Common Shares will have all the powers, preferences, and rights of the shares of Common Shares presently authorized. Therefore, approval of the Authorized Share Increase would not affect a current Common Shares holder's rights as a shareholder, except for any dilutive effects of a potential increase in the number of outstanding Common Shares to, among other things, earnings per share, book value per share, and the voting power of current holders of our Common Shares. The Authorized Share Increase would not have any immediate dilutive effect on the proportionate voting power or other rights of existing shareholders until additional shares are issued.

As is true for shares presently authorized but unissued Common Shares, the future issuance of Common Shares authorized by the Authorized Share Increase may, among other things, decrease existing shareholders' percentage equity ownership, be dilutive to the voting rights of existing shareholders, and, depending on the price at which they are issued, have a negative effect on the market price of the Common Shares.

Potential Anti-Takeover Effects of the Authorized Share Increase

Since the Authorized Share Increase will provide that the number of authorized Common Shares will be three hundred million (300,000,000), the Authorized Share Increase, if effected, will result in an increase in the number of authorized but unissued Common Shares and could, under certain circumstances, have an anti-takeover effect, although this is not the purpose or intent of our Board. An increase in our authorized Common Shares could potentially deter takeovers, including takeovers that our Board has determined are not in the best interest of our shareholders, in that additional shares could be issued (within the limits imposed by applicable law and Nasdaq) in one or more transactions that could make a change in control or takeover more difficult. The Authorized Share Increase could make the accomplishment of a given transaction more difficult even if it is favorable to the interests of shareholders. For example, we could issue additional Common Shares without further shareholder approval so as to dilute the share ownership or voting rights of persons seeking to obtain control without our agreement. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the share ownership or voting rights of persons seeking to cause such removal. The Authorized Share Increase therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the Authorized Share Increase may limit the opportunity for our shareholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal.

We have not proposed the increase in the number of authorized Common Shares with the intention of using the additional authorized Common Shares for anti-takeover purposes, but we would be able to use the additional Common Shares to oppose a hostile takeover attempt or delay or prevent changes in our control or our management. Although the Authorized Share Increase has been prompted by business and financial considerations and not by the threat of any known or threatened hostile takeover attempt, shareholders should be aware that the effect of the Authorized Share Increase could facilitate future attempts by us to oppose changes in our control and perpetuate our management, including transactions in which the shareholders might otherwise receive a premium for their shares over then current market prices. We cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance shareholder value, or that they will not adversely affect our business or the trading price of the Common Shares.

Required Vote

The affirmative vote of the holders of a majority of the outstanding Common Shares having voting power shall be required for the approval of the amendment to the Articles to effect the Authorized Share Increase.

The Board recommends a vote "FOR" the amendment to the Articles of Incorporation of the Company to increase the number of authorized Common Shares from sixty million (60,000,000) shares, par value \$0.00001 per share, to three hundred million (300,000,000) shares, par value \$0.00001 per share.

PROPOSAL NO. 3 — RATIFICATION OF THE SELECTION OF KESSELMAN & KESSELMAN, CERTIFIED PUBLIC ACCOUNTANTS (ISR.), A MEMBER FIRM OF PRICEWATERHOUSECOOPERS INTERNATIONAL LIMITED, AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING JUNE 30, 2023.

Our Audit Committee has selected Kesselman & Kesselman, Certified Public Accountants (Isr.), a member firm of PricewaterhouseCoopers International Limited, as our independent registered public accounting firm, or the Independent Auditors, for the current fiscal year, subject to ratification by our shareholders at the Meeting. We do not expect to have a representative of the Independent Auditors attend the Meeting.

Neither our by-laws, our other governing documents, nor other law requires shareholder ratification of the selection of the Independent Auditors as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of the Independent Auditors to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain the Independent Auditors. Even if the selection is ratified, the Audit Committee in its discretion may decide to appoint a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

Required Vote

The affirmative vote of the holders of a majority of the Common Shares having voting power present in person or represented by proxy shall be sufficient for the ratification of the selection of Kesselman & Kesselman, Certified Public Accountants (Isr.), a member firm of PricewaterhouseCoopers International Limited, as independent registered public accounting firm of the Company for the fiscal year ending June 30, 2023.

The Board recommends a vote “FOR” the ratification of the selection of Kesselman & Kesselman, Certified Public Accountants (Isr.), a member firm of PricewaterhouseCoopers International Limited, as independent registered public accounting firm of the Company for the fiscal year ending June 30, 2023.

PROPOSAL NO. 4 — ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

CORPORATE GOVERNANCE

Committees and Meetings of Our Board

Our Board held thirteen (13) meetings during Fiscal Year 2022. Throughout this period, each member of our Board who was a director in Fiscal Year 2022 attended or participated in at least 75% of the aggregate of the total number of meetings of our Board held and the total number of meetings held by all committees of our Board on which each the director served during the periods such director served. Our Board has three standing committees: the Compensation Committee, the Audit Committee and the Nominating Committee.

Audit Committee. The members of our Audit Committee are Mr. Birger, Ms. Shalev and Ms. Shemesh-Rasmussen. Mr. Birger is the Chairman of the Audit Committee, and our Board has determined that all members of the Audit Committee are “independent” as defined by the rules of the SEC and the Nasdaq rules and regulations. The Board also determined that Mr. Doron Birger is an Audit Committee financial expert. The Audit Committee operates under a written charter that is posted on our website at www.pluri-biotech.com. The information on our website is not incorporated by reference into this Proxy Statement. The primary responsibilities of our Audit Committee include:

- appointing, compensating, and retaining our registered independent public accounting firm;
- overseeing the work performed by any outside accounting firm;
- assisting the Board in fulfilling its responsibilities by reviewing: (i) the financial reports provided by us to the SEC, our shareholders or to the general public, and (ii) our internal financial and accounting controls; and
- recommending, establishing and monitoring procedures designed to improve the quality and reliability of the disclosure of our financial condition and results of operations.

Our Audit Committee held seven meetings during Fiscal Year 2022.

Compensation Committee. The members of our Compensation Committee are Mr. Levi, Ms. Shalev and Ms. Shemesh-Rasmussen. Ms. Shemesh-Rasmussen is the Chairman of the Compensation Committee, and the Board has determined that all of the members of the Compensation Committee are “independent” as defined by the rules of the SEC and Nasdaq rules and regulations. The Compensation Committee operates under a written charter that is posted on our website at www.pluri-biotech.com. The information on our website is not incorporated by reference into this Proxy Statement. The primary responsibilities of our Compensation Committee include:

- reviewing and recommending to our Board the annual base compensation, the annual incentive bonus, equity compensation, employment agreements and any other benefits of our executive officers;
- administering our equity-based plans and making recommendations to our Board with respect to our incentive–compensation plans and equity–based plans; and
- annually reviewing and making recommendations to our Board with respect to the compensation policy for such other officers as directed by our Board.

Our Compensation Committee held five meetings during Fiscal Year 2022. The Compensation Committee did not receive advice from or retain any consultants during Fiscal Year 2022.

Nominating Committee. The members of our Nominating Committee are Mr. Levi and Ms. Shemesh-Rasmussen. Mr. Levi is the Chairman of the Nominating Committee. The Board has determined that all of the members of the Nominating Committee are “independent” as defined by the rules of the SEC and Nasdaq rules and regulations. The Nominating Committee operates under a written charter that is posted on the “Investors& ESG - Governance” section of our website, www.pluri-biotech.com. The primary responsibilities of our Nominating Committee include:

- overseeing the composition and size of the Board, developing qualification criteria for Board members and actively seeking, interviewing and screening individuals qualified to become Board members for recommendation to the Board;
- recommending the composition of the Board for each annual meeting of shareholders; and
- reviewing periodically with the Chairman of the Board and the Chief Executive Officer the succession plans relating to positions held by directors and making recommendations to the Board with respect to the selection and development of individuals to occupy those positions.

Our Nominating Committee held two meetings during Fiscal Year 2022. The Nominating Committee did not receive advice from or retain any consultants during Fiscal Year 2022.

Director Nominations

The Nominating Committee is responsible for developing and approving criteria, with Board approval, for candidates for Board membership. The Nominating Committee is responsible for overseeing the composition and size of the Board, developing qualification criteria for Board members and actively seeking, interviewing and screening individuals qualified to become Board members for recommendation to the Board and for recommending the composition of the Board for each of the Company’s annual meetings. The Board as a whole is responsible for nominating individuals for election to the Board by the shareholders and for filling vacancies on the Board that may occur between annual meetings of the shareholders.

Nominees for director will be selected on the basis of their integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all shareholders. No particular criteria will be a prerequisite or will be assigned a specific weight, nor does the Company have a diversity policy. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

We have never received communications from shareholders recommending individuals to any of our independent directors. Therefore, we do not yet have a policy with regard to the consideration of any director candidates recommended by shareholders. In Fiscal Year 2022, we did not pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential nominees for our Board. We have not received any recommendations from shareholders for Board nominees. All of the nominees for election at the Meeting are current members of our Board.

Board Leadership Structure. Commencing on January 1, 2022, Mr. Aberman transitioned from his position as Executive Chairman to Chairman of the Board. In his position as Chairman of the Board, Mr. Aberman is responsible for setting the agenda and priorities of the Board.

As Chief Executive Officer, Mr. Yanay leads our day-to-day business operations and is directly accountable to the full Board, and, in addition, is responsible for our management operations and for general oversight of our business and the various management teams that are responsible for our day-to-day operations. We believe that this structure provides an efficient and effective leadership model for the Company to enable us to deliver better results and explore opportunities for the company and its investors.

We believe that having different persons serving as Chairman and Chief Executive Officer, together with four (4) independent directors, is the optimal Board structure to provide independent oversight and management accountability while ensuring that our strategic plans are pursued to optimize long-term shareholder value.

Risk Oversight. The Board, including the Audit Committee, and Compensation Committee, periodically reviews and assesses the significant risks to the Company. Our management is responsible for our risk management process and the day-to-day supervision and mitigation of risks. These risks include strategic, operational, competitive, financial, legal and regulatory risks. Our Board leadership structure, together with the frequent interaction between our directors and management, assists in this effort. Communications between our Board and management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. Each of our Board committees is focused on specific risks within their areas of responsibility, but the Board believes that the overall enterprise risk management process is more properly overseen by all of the members of the Board. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements.

While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed of such risks through committee reports. The Board incorporates the insight provided by these reports into its overall risk management analysis.

The Board administers its risk oversight responsibilities through the Chief Executive Officer and the Chief Financial Officer, who, together with management representatives of the relevant functional areas, review and assess our operations as well as operating management's identification, assessment and mitigation of the material risks affecting our operations.

Our Board has adopted a Code of Business Conduct and Ethics that applies to, among other persons, members of our Board, our officers including our Chief Executive Officer (being our principal executive officer) and our Chief Financial Officer (being our principal financial and accounting officer) and our employees. Our Code of Business Conduct and Ethics is posted on the "Investors & ESG - Governance" section of our website at www.pluri-biotech.com. The information on our website is not incorporated by reference into this Definitive Proxy. We intend to satisfy the disclosure requirements under Item 5.05 of Current Report on Form 8-K regarding amendments to, or waivers from, a provision of our Code of Business Conduct and Ethics by posting such information on the website at the address specified above.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our Common Shares, to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings.

We have reviewed all forms provided to us or filed with the SEC. Based on that review and on written information given to us by our executive officers and directors, we believe that all Section 16(a) filings during Fiscal Year 2022 were filed on a timely basis and that all directors, executive officers and 10% beneficial owners have fully complied with such requirements during the past fiscal year, other than two reports on Form 4 filed by Doron Birger and Varda Shalev on July 26, which were filed late.

Anti-Hedging Policy

Under our insider trading policy, our directors and officers are prohibited from engaging in short sales of our securities, purchases of our securities on margin, hedging or monetization transactions through the use of financial instruments, and options and derivatives trading on any of the stock exchanges or futures exchanges, without prior written pre-clearance.

COMMUNICATING WITH OUR BOARD

Our Board will give appropriate attention to written communications that are submitted by shareholders, and will respond if and as appropriate. Mr. Birger, one of our independent directors, and the Chairman of our Audit Committee, with the assistance of our outside counsel, is primarily responsible for monitoring communications from our shareholders and for providing copies or summaries to the other directors as he considers appropriate. Communications are forwarded to all directors if they relate to substantive matters and include suggestions or comments that Mr. Birger considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to our Board should address such communications to: Pluri Inc., c/o Doron Birger, MATAM Advanced Technology Park Building No. 5, Haifa, Israel, 3508409.

ATTENDANCE AT SPECIAL AND ANNUAL SHAREHOLDER MEETINGS

We encourage our directors to attend our special and annual shareholders meetings. Mr. Aberman, our Chairman, and Mr. Yanay, our Chief Executive Officer, President and director, attended our last annual shareholder meeting.

For clarification purposes, the acceleration mechanism detailed above does not apply to the 500,000 RSUs granted to each of our CEO and Chairman in September 2020, that were linked to the achievement of our market capitalization reaching of \$550 million during the three-year period from the date of the grant.

Doron Shorrer ⁽²⁾	50,012	-	50,012

- (1) The fair value recognized for the stock awards was determined as of the grant date in accordance with ASC 718. Assumptions used in the calculations for these amounts are included in Note 9 to our consolidated financial statements for Fiscal Year 2022 included in our Annual Report on Form 10-K for Fiscal Year 2022.
- (2) Effective as of June 21, 2022, as a result of the voting outcome from the 2022 annual meeting of shareholders, or the 2022 Annual Meeting, these directors were not re-elected to the Company's Board of Directors, and vacated their seats on the Board, and their respective committees, effective immediately.
- (3) Effective as of July 15, 2021, this director was appointed to serve on the Board.
- (4) Excluding VAT.

During Fiscal Year 2022, we paid a total of \$264,000 in cash to directors as compensation.

As of June 30, 2022, we have outstanding grants to our non-executive directors aggregating 343,991 RSUs of which 264,665 were exercisable or vested, as the case may be, as follows:

Name	Total of restricted shares and RSUs granted and outstanding	Total unvested restricted shares and RSUs
Doron Birger	20,000	16,250
Varda Shalev	20,000	16,250
Mark Germain ⁽¹⁾	100,645	-
Moria Kwiat ⁽¹⁾	55,750	-
Rami Levi	20,000	13,750
Maital Shemesh-Rasmussen	20,000	13,750
Doron Shorror ⁽¹⁾	107,596	-
Total	343,991	60,000

(1) These directors were not re-elected to the Company's Board at the 2022 Annual Meeting.

For all directors, the vesting of directors' share options, RSUs and restricted share accelerates in the following circumstances: (1) if the director is not re-nominated to serve on the Board or the director is not re-elected by shareholders at a special or annual meeting, this will result in the acceleration of 100% of any unvested award, and (2) the voluntary resignation of a director will result in the acceleration of up to 50% of any unvested award subject to Board approval. In addition, a change in control will result in the acceleration of 100% of any unvested award of our directors.

Other than as described above, we have no present formal plan for compensating our directors for their service in their capacity as directors. Directors are entitled to reimbursement for reasonable travel and other out-of-pocket expenses incurred in connection with attendance at meetings of our Board as per policy approved by our Compensation Committee. The Board may award special remuneration to any director undertaking any special services on our behalf other than services ordinarily required of a director.

Other than indicated above, no director received and/or accrued any compensation for his or her services as a director, including committee participation and/or special assignments during Fiscal Year 2022.
